AJCC2020
Asia Joint Conference on Computing

February 14-16, 2020
Suan Dusit University
Bangkok, Thailand

Information and computer technology play a vital role in several industrial sectors. *The Asia Joint Conference on Computing (AJCC)* provides a platform for engineers and scientists from both industry and academia to present their ongoing work, relate their research outcomes and experiences, and discuss the best and most efficient techniques for the development of reliable, secure, and trustworthy systems.

It also represents an excellent opportunity for the academic community to become more aware of subject areas critical to the software industry as practitioners bring their needs to the table. The 1st AJCC conference will be held from Feb 14-16, 2020 at Bangkok, Thailand.
