## About the Conference

The conference aims to improve and continue communication among the researcher in functional materials and applied physics-related fields. It is anticipated that this conference will provide an outstanding opportunity for participants to exchange ideas and promote discussions on recent advances in the field of clean energy materials and devices. The theme of the conference will be "state-of-the-art" performance of nano-materials for future technologies. The scientific deliberations at the conference will cover a wide range of topics in condensed matter physics in the form of invited talks, contributory papers, and panel discussions. In addition, there will be talks by Young Achiever Award nominees and presentations of the Ph.D. thesis.

## **Conference Topics**

The scope of the conference will cover but is not limited to the following areas.

- Functional Materials
- Nano Materials
- Optoelectronics
- Phase Transition, Quantum Fluids, and Solids
- Photonic materials & Plasmonics
- Nano-biophysics
- Glasses, Ceramics, Polymers & Composites
- Surface, Interface & Thin Films
- Superconductivity, Magnetism & Spintronic
- Thermoelectric Materials
- Energy Materials
- 2-D materials
- Applied Plasma Physics
- Theoretical Sciences
- Applied Physics

# **CALL FOR PARTICIPATION**

Second Virtual International Conference on Functional Material and Applied Physics (FMAP-2022)

14-15 October 2022

## Organized by Department of Physics S.V. National Institute of Technology Surat – 395 007 (Gujarat), India

### **About the Institute**

SVNIT at present is one of the prestigious Engineering institutions of the country, and has contributed many outstanding engineers in India and abroad. It is running undergraduate and seven postgraduate seventeen programmes and Ph.D. programme in all disciplines of Engineering and applied sciences. Special attention given to interdisciplinary is research. SVNIT has an excellent placement record with a number of top ranking companies visiting the campus every year.

### **About the Department**

Department of Physics of SVNIT is one of the leading departments in terms of research. This Department has supervised several students towards their M.Sc & Ph.D. degree and also successfully completed many scientific projects sponsored by National Scientific Agencies.
