Global Research Foundation for Corporate Governance (GRFCG) based in New Delhi, India, has been established to readily engage with Corporate Governance systems and sub-systems. GRFCG aims to be a trailblazer in bringing together academicians, policy makers, practitioners and consultants engaged with research in Corporate Governance as witnessed in the fields of accounting, finance, economics, sociology, political science, management and corporate strategy to name a few. In pursuit of being a center of excellence, the Foundation proudly takes the lead by announcing its first international conference to capture and chronicle these winds of change.

GRFCG members have produced over 50 research studies based on primary data samples on varied aspects of corporate governance.

The Conference is themed as [Corporate Governance: Issues, Challenges and Changing Paradigms](#).
