CALL FOR PAPERS

Daffodil International University (DIU) is going to organize ICONCS2020. This conference devotes a platform for academics, researchers and industrial entities to share knowledge and ideas, and increases networking possibilities within research communities. In this platform researchers present their research findings related to theoretical and fundamental interest concerning industrial applications, emerging instrumental techniques which have some practical application to an aspect of human endeavor and explore any other potential benefits that might be contribute to the better future. ICONCS 2020 dedicated to publish original, unpublished (not under consideration for publication elsewhere, even submit for review) and quality research.

Cyber Security

- Access control
- Application security
- Attacks and defenses
- Computer security
- Cryptography
- Biometric and watermarking
- Security aspects of alternative currencies
- Cloud and web security
- Distributed systems security
- Design and deployment of secure services
- Digital forensics
- Embedded systems security
- Hardware security
- Information risk management
- Internet of things (IOT) security
- Intrusion detection and prevention system
- Language-based security
- Malware
- Mobile security
- Network security
- New exploits
- Privacy and anonymity
- Protocol security
- Trust management
- Vulnerability detection model/ techniques
- Vulnerability prevention techniques

Computer Science

- Algorithms
- Fuzzy logic
- Genetic algorithms
- Artificial intelligence
- Big data and data mining
- Bioinformatics and scientific
- Blockchain Technology
- Computer based education
- Computing ethics
- Computer networks
- Censorship and censorship-resistance
- Data communication systems
- Expert systems
- E-commerce and e-governance
- Software Engineering Technologies and Applications

Registration Fee

Bangladeshi Citizen	Registration Fee	International	Registration Fee
Professional	7500 BDT	Professional	150 USD
Student	5500 BDT	Student	150 USD
2nd paper & above	3000 BDT	2nd paper & above	100 USD
Non-presenter	1500 BDT	Non-presenter	150 USD

Important Dates

Full paper submission	: 25th November, 2019
Notification acceptance for full paper	: 15th December, 2019
Last Date of Registration	: 13th January, 2020
Date of Conference	: 15th-16th February, 2020

Indexing

All submitted manuscripts will be subject to the three blind peer-reviewing process. All accepted papers must be presented as orally or through skype during the scheduled time of the event for publication.

Springer

All accepted papers will be included in the Conference Proceeding that will also be published in the Lecture Notes of the Institute for Computer Sciences, Social Informatics and Telecommunications Engineering (LNICST) by Springer.

Volumes published as part of the LNICST series are made available to the following indexing services:
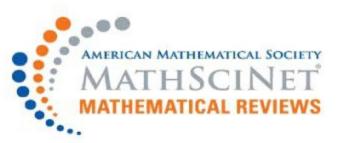

Scopus · **ACM DL DIGITAL LIBRARY** · **ELSEVIER** · **Web of Science Group** · **Google Scholar** · **AMERICAN MATHEMATICAL SOCIETY MATHSCINET MATHEMATICAL REVIEWS** · **dblp computer science bibliography** · **zbMATH the first resource for mathematics**

Organized by

Department of Software Engineering
Daffodil International University, Dhaka, Bangladesh.
