

## 2<sup>nd</sup> International Joint Conference on Materials, Manufacturing Technology and Simulation

8<sup>th</sup> – 10<sup>th</sup> March 2021 in Shah Alam, Malaysia

*Towards lightweight material and resource-efficient manufacturing*

# CALL FOR PAPERS

IJCAMTS 2021 invites researchers and industrial practitioners in the domain of Advanced Material, Manufacturing Technology and Simulation to disseminate their recent results, studies, implementations and techniques at international level. It offers participants the opportunity to experience the state-of-the-art research findings and to initiate collaboration between industry and academia in the applied fields of advanced materials, manufacturing technology and simulation.

The topics are but not limited to:

- (1) Advanced Material, Manufacturing Technology and Simulation
- (2) Railway and Rolling Stock Manufacturing
- (3) Aerospace and Additive Manufacturing
- (4) Manufacturing of Biomedical Implant and Devices
- (5) Advanced Manufacturing with IR4.0
- (6) Manufacturing for Energy and Oil & Gas Sector

Participant Category	Early bird (by 21 <sup>st</sup> January 2021)		Normal Fee (by 7 <sup>th</sup> February 2021)	
	Malaysia	International	Malaysia	International
