

The 4th International Conference of  
Reliable Information and Communication Technology 2019  
Sept 22-23, 2019  
Pulai Springs Resort, Johor, Malaysia

## Call for Paper

Main Theme: **Toward Reliable Intelligent Computing and Informatics**  
Website: [www.irict.co/irict2019](http://www.irict.co/irict2019)

**IRICT 2019** will be held in Pulai Springs Resort, Johor, Malaysia on Sept 22-23, 2019 and organized by the Yemeni Scientists Research Group (YSRG) in collaboration with Universiti Teknologi Malaysia (Malaysia), Taibah University (KSA), Nottingham Trent University (UK), Charles Darwin University (Australia) and Association for Information Systems – Malaysia Chapter (MyAIS).

## IRICT 2019 Tracks

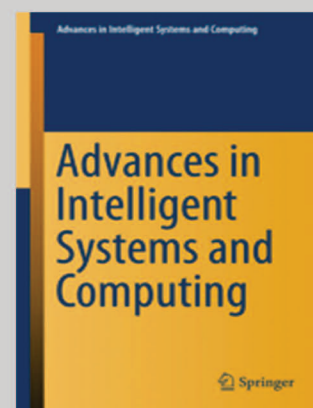

- Artificial Intelligence and Soft Computing
- Data Science and Big Data Analytics
- Business Intelligence
- Internet of Things (IoT)
- Intelligent Communication Systems
- Advances in Information Security
- Computational Vision and Robotics Technology
- Software Engineering
- Multimedia Applications and Services
- Information Systems

## Important Dates

- Full Paper Submission Deadline: **1/6/2019**
- Notification of Acceptance: **1/7/2019**
- Camera Ready Submission Deadline: **1/8/2019**
- Early Registration Deadline: **1/8/2019**
- Normal Registration Deadline: **15/8/2019**

## IRICT 2019 Publication

All accepted papers will be published in Springer Book Series: “Advances in Intelligent Systems and Computing”. Indexing: The books of this series are submitted to ISI Proceedings, SCOPUS, Springerlink, EI-Compendex, DBLP, and Google Scholar.

Scopus®

All extended papers will be considered for publication in these journals:

- 1-Special Issue "Vehicular Networks and Communications", Electronics Journal, Web of Science & Scopus. Impact Factor: 2.11
- 2- International Journal of Data Mining, Modelling and Management (ESCI Web of Science & Scopus)
- 3- International Journal of Cognitive Informatics and Natural Intelligence (ESCI Web of Science & Scopus)
- 4-International Journal of Information Technologies and Systems Approach (ESCI Web of Science & Scopus)
- 5-International Journal of Knowledge-Based Development (ESCI Web of Science & Scopus)
- 6- International Journal of Information Retrieval Research (ESCI Web of Science)
- 7- International Journal of Healthcare Information Systems and Informatics (ESCI Web of Science & Scopus)
- 8- Internet Technology Letters (Web of Science)
- 9-International Journal of Innovative Computing and Applications (Scopus)
- 10- International Journal of Fuzzy System Applications (Scopus)
- 11- International Journal of Computer Aided Engineering and Technology (Scopus)
- 12- International Journal of Cloud Computing (Scopus)
- 13- International Journal of Knowledge-Based Organizations (ACM, DBLP and others)
- 14- International Journal of Information Systems and Social Change (ACM, DBLP and others)

## Keynote Speakers

Ahmad Lotfi,  
Professor of Computational  
Intelligence at Nottingham  
Trent University, UK

Mamoun Alazab,  
Associate Professor in the College of  
Engineering, IT and Environment at Charles  
Darwin University, Australia

Alex Sim Tze Hiang,  
Head of Information Engineering  
and Behavioral Informatics Research Group  
(INFOBEE), Universiti Teknologi Malaysia

## Organized by:

In Collaboration with:

NOTTINGHAM  
TRENT UNIVERSITY
