

2021

INTERNATIONAL SYMPOSIUM ON ELECTRONICS AND SMART DEVICES

June 29 - 30, 2021

INTELLIGENT SYSTEMS FOR PRESENT AND FUTURE CHALLENGES

ISESD is seeking for original, high impact research papers on all topics related to the development and social adoption of the Smart Devices.

Prospective authors are invited to submit papers reflecting original, unpublished work in these fields.

TOPICS

- Electronics Circuit, Devices, and System
- Smart and Secure Electronics Devices
- Nanomaterials for Devices and Circuit
- MEMS and NEMS
- Photonic Devices and OEIC
- Artificial Intelligence
- Microelectronics and Nanoelectronics for applications in :
 - Telecommunication
 - Manufacturing
 - Biomedical Devices
 - Energy
 - Internet of Things (IoT)
 - Control and Instrumentation

IMPORTANT DATES

Paper Submission Deadline :

June 5, 2021

Notification of Acceptance:

June 12, 2021

Open Registration:

June 1, 2021

Early Bird Regristation Deadline:

June 14, 2021

Camera Ready Deadline:

June 16, 2021

Conference Day:

June 29-30, 2021

REGISTRATION FEE

International Regular

Non IEEE Member : USD 200

IEEE Member : USD 150

International Student

Non IEEE Member : USD 150

IEEE Member : USD 100

Domestic Regular

Non IEEE Member : IDR 700K

IEEE Member : IDR 650K

Domestic Student

Non IEEE Member : IDR 650K

IEEE Member : IDR 500K
