

SIGMOD Workshop on Graph Data Management Experiences & Systems (GRADES) and Network Data Analytics (NDA)

The focus of the GRADES-NDA workshop is the application areas, usage scenarios, and open challenges in managing large-scale graph-shaped data.

The workshop is a forum for exchanging ideas and methods for mining, querying, and learning with real-world network data, sharing of data sets where applicable, and leveraging existing knowledge from different disciplines.

Keynote Speakers

Sourav Bhowmick (Nanyang Technological University)

Tina Eliassi-Rad (Northeastern University)

Bryan Thompson (Amazon Neptune)

Important dates

Abstract Submission: **March 11, 2019**

Paper Submission: **March 18, 2019**

Notifications: **April 15, 2019**

Camera Ready Submission : **May 6, 2019**

Workshop Date: **June 30, 2019** (*All deadlines are 23:59 Hours AoE*)

Organizers & Scientific Chairs

Akhil Arora, EPFL

Arnab Bhattacharya, IIT Kanpur

George Fletcher, TU Eindhoven

Venue

Beurs van Berlage, Amsterdam Conference Center

Amsterdam, The Netherlands

Sponsors

neo4j
