

iCoMET 2020
January 29-30, 2020

3rd International Conference on Computing, Mathematics and Engineering Technologies

Idea to Innovation for Building the Knowledge Economy

All the accepted papers will be published in IEEE Xplore digital library.

The extended version of the selected papers will be published in following journals:

- Sukkur IBA Journal of Emerging Technologies (SJET)
- Sukkur IBA Journal of Computing and Mathematical Sciences (SJCMS)
- Journal of Medical Imaging and Health Informatics SCI Index (IF=0.621)

iCoMET 2020 endeavors to provide an interdisciplinary platform for researchers, scientists, practitioners, academicians and students to present their contributions to the recent technological advancements, innovations and experiences in the areas of computing, mathematics and engineering technologies.

iCoMET 2020 welcomes contributions in the following areas but not limited to:

Computing Tracks

- Software Engineering
- Computer Communication and Networks
- Social Networks and Data Science
- Soft Computing
- Ubiquitous Computing
- Vision and Image Processing
- Machine learning and Data Science
- Artificial Intelligence
- Human Computer Interaction

Engineering Tracks

- Energy Storage, Devices and Materials
- Renewable Energy
- Electrical Machines and Adjustable Speed Drives
- Power Electronics and its Application
- High Voltage Engineering and Insulation Technology
- Antennas and Wave Propagation
- Solid State Electronics
- Automation and Robotics
- Sensors Technology
- Communications and Signal Processing Technology
- Biomedical Electronics/ICT
- Nanotechnology and Nanosensors

Mathematics Tracks

- Applied Mathematical Analysis
- Mathematical Finance
- Applied Algebra
- Stochastic Processes
- Fluid Mechanics
- Numeric of DOE's and PDE's
- Abstract Algebra
- Matric Differential Geometry
- Logic and Model Theory
- Operator Algebras
