ICCTAC'20

in association with

INTERNATIONAL JOURNAL of INFORMATION Technology (IJIT)

19th & 20th March, 2020

Call for Papers

The International Conference on Current Trends in Advanced Computing (ICCTAC) will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of recent trends in Information Technology. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field of Computer Science.

Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the recent developments in Information Technology. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated in this conference. All the full paper submissions will be peer reviewed and evaluated based on originality, technicality and/or research content/depth, correctness, relevance to conference, contributions, and readability. All the accepted and presented papers will be considered for publication in **BJIT - International Journal of Information Technology** (ISSN: 2511-2104 (Print Version); ISSN: 2511-2112 (Electronic Version) having Springer Journal No.: 41870) - UGC Indexed Journal published by Springer Nature (or) Peer Reviewed International Journal of Scopus Indexed.
