

# 2<sup>nd</sup> ICEBEHI 2021

2<sup>nd</sup> International Conference on Electronics,  
Biomedical Engineering, and Health Informatics

Sustainable Development in Biomedical Engineering and Health Informatics

## CALL FOR PAPER

SURABAYA (VIRTUAL-CONFERENCE), 3-4 November 2021

### KEYNOTE SPEAKER

**Wahyu Caesarendra, Ph.D**  
Universiti Brunei Darussalam,  
Faculty of Integrated Technologies

**Hanung Adi Nugroho, Ph.D**  
Universitas Gadjah Mada, Indonesia  
(Head of Department, Department of Electrical Engineering)

### INVITED SPEAKER

**Professor Dr. Bambang Guruh Irianto**  
Poltekkes Kemenkes Surabaya, Indonesia  
(Department of Electro-medical Engineering,  
Head of Indonesian Electro-medical Collegium).

### PUBLICATION

1. **Lecture Notes in Electrical Engineering** [Springer, Scopus, Q3]\*
2. **Journal of Biomimetics, Biomaterials and Biomedical Engineering (JBBBE)** [Scientific.net, Scopus, Q3]\*\*
3. **Journal of Electronics, Electromedical Engineering, and Medical Informatics** [Poltekkes Kemenkes Surabaya, DOAJ, SINTA 3]

Note: a. LNEE are the default publication for this conference.  
b. The best 20-30 articles will be submitted to JBBBE with additional cost.  
c. Previously, we have published our articles (ICEBEHI 2020) to those Journals (LNEE and JBBBE)

### CONFERENCE TOPIC

#### Electronics

Components, Circuits, and Devices, Embedded Systems and VLSI, Photonics and Electro-Optics, Artificial Intelligent and Machines Learning, Automation, Robotics and Control, Electronic Measurements, Nano and microelectronics.

#### Biomedical Engineering

Biomedical Sensors, Medical Electronics, Biomechanics, Biomaterials and Artificial Organ, Biomedical Instrumentation, Clinical Engineering, Biomedical Imaging Processing, Biomedical Signal Processing, Rehabilitation Engineering.

#### Health Care Informatics

Internet-of-Medical-Things, Telemedicine, Bioinformatics and Medical Informatics.
