Computer Days – 2025

September 25–26, 2025, Šiauliai, Lithuania

www.liks.lt/CoDa-2025

The Lithuanian Computer Society invites you to participate in a traditional biennial multi-event, "Computer Days – 2025", Šiauliai Academy of Vilnius University, Vytauto str. 84 in Šiauliai, LT.

EVENTS OF "COMPUTER DAYS – 2025"

- Plenary Session / Workshop on Smart Society, Digital Lithuania;
- 22nd Conference on Computer Science, Computing and ICT;
- 15th Conference on Informatics in School Education;
- Tutorials for teachers, doctoral, post- and undergraduate students, etc.;
- 18th Congress of the Lithuanian Computer Society;
- Congress of the Lithuanian Association of Informatics Teachers (LInMA);
- Multi-event Dinner.

PARTICIPATION FORMS

Individual scientists, teachers, educationalists, and public & private institutions are invited to participate. Participants can present scientific, methodological, and informative papers at conferences, attend discussions, and present information about companies, products, and solutions.

Possibilities for advertising and demonstrating will be provided; the sponsors are also welcome.

Original scientific papers presented for the Conferences will be published in referred journals "[Informatica](#)" [indexed by *Clarivate Web of Science* (WoS) with Impact Factor (IF)], "[Information Technology and Control](#)" [WoS IF], "[Informatics in Education](#)" [WoS IF], "[Baltic Journal of Modern Computing](#)" [WoS IF], "[Information & Media](#)" [indexed by SCOPUS].

Paper submission page: www.easychair.org/conferences/?conf=kodi25
